New Business:

Complaints received are to be given to Town Manager.

Dangerous Buildings

Discussion was held on dangerous buildings in the town. State statues cover these buildings, however Board feels that a definition should be contained in the LUO. A definition will be written and presented at the next meeting for discussion and approval by the Board.

MMA Planning Board Workshop: Barb asked Board of Selectmen if they would pay for the planning board members to attend the workshop by MMA in Orono in Sept. They said they would. Serena stated she will call and make sure we are all signed up for the workshop.

Old Business: Re-zoning

The maps in the town office of the town cannot be brought in sync to match up an appropriate map to use to present to the Board of Selectmen of the change in zoning proposals we have recommended. Serena stated she could call Sewell Co. and request copies of the maps that they made in 2012 so that we could have a copy to present. We decided that since we need the map to continue, we should wait till we have the map available for us.

No member concerns

Next meeting will be August 27, 2019, 6pm at the private library.

Darlene motioned to adjourn, Allen sec..All in favor.

Respectfully submitted,  
Darlene Bagley
