Corinna Planning Board

The Planning Board was asked to meet and go over State changes for Municipal Land Use and Zoning Ordinances by the Town Manager.

Regular members in attendance included Barb, Darlene, and alternate Carl. New members to the Board included Roger Belanger, and David Watson.

Carl opened the meeting as officers needed to be nominated. Dave nominated Roger for Chairperson, Barb 2nd. Roger asked several questions about the Board and after a short discussion, he accepted the nomination. All in favor.

Barb made a motion to elect Darlene as Secretary. Carl 2nd. All in favor

Barb made a motion to defer the remaining office nomination for vice-chair until the next meeting.

Carl 2nd. All in favor.

It was decided that since all the members did not receive all the materials to read before the meeting, we would take this up at the next meeting. Carl mentioned that the CEO should be in attendance at our meetings to discuss this matter as he would be more informed of the changes than us. Next meeting was set for Sept 5th at 6PM. At that time, we will prepare questions to bring to MMA to help us make the necessary amendments to the LUO to be in sync with the State changes. Barb motioned to adjourn, Darlene 2nd. All in favor. Meeting adjourned at 7:10 pm.
